

Arts & Education Programs for Students at Montalvo Arts Center

At Montalvo, we believe that the arts foster greater cognitive, social, and emotional capacity. As a multidisciplinary organization, we present relevant, responsive, and compelling opportunities to explore the visual arts, music, theatre, poetry, dance, design, and more. Our offerings provide quality learning experiences for all grades and skill levels, and celebrate the creative spirit, engage the imagination, and develop the artist in all of us.

PERFORMING ARTS SERIES FOR STUDENTS (PASS)

Students are invited to come to Montalvo Arts Center to experience the energy of live performance through dance, drama, and theatre in our intimate 300-seat Carriage House Theatre. Our shows, featuring performances by world-class local artists, are an excellent exposure to the arts for elementary-school-age students and a perfect launching point for classroom and homeschool curriculum. Our spring 2023 season (pictured above) includes Farima Dance Company, NewGround Theatre Dance Company, and Folclorico Colibri.

FIELD TRIPS

The historic site of Montalvo Arts Center serves as a hub for art and culture in the community, with a mission to enrich people's lives, spark necessary conversations, and inspire creativity. Come join us on a guided outdoor tour through our sculpture-filled grounds, Italianate garden, and artist residency studios. Field trips are approximately 45 minutes to 1 hour, and can be customized to your classroom and students' needs.

ABOUT MONTALVO ARTS CENTER

Our 175-acre property encompasses a historic Villa, artist residences, indoor and outdoor performance and exhibition venues, art installations, lush gardens, and hiking trails. We emphasize programs that nourish creativity, nurture a sense of belonging, and create connections among people. We offer inclusive experiential learning opportunities, chances to witness creativity in progress, rich dialogues that explore relevant contemporary topics, and performing and visual arts events and festivals that reflect the diversity and beauty of our multi-cultural region.
